

Encore (32GB) PDW09A-00100C

Price \$399.00 RRP AUD (inc. GST)

Overview

Totally optimised for Windows® 8.1, this powerful tablet delivers a fast, fluid performance and amazing out-of-the box features to boost productivity and seriously entertain you on the go!

Super thin (10.68mm) and super light (445g), it's comfortable to hold in one hand, keeping you connected to your digital life everywhere.

Powered by the latest 4th Generation Intel® Quad-Core processors, with up to 2GB DDR3 memory, it delivers a fast, fluid performance with rapid start up and page loads, and exceptional battery life of up to 14.1 hours!*

As the first tablet truly optimised for Skype™, you can make high-quality calls using its beam-forming technology, integrated front camera (2MP) and Skype™-certified dual array mics for greater sound clarity. Plus, the rear 8MP camera provides terrific point-and-shoot capabilities for excellent photo and video capture.

With its exciting Xbox SmartGlass app, you can turn your tablet into a secondary screen for your Xbox 360 and Xbox One game consoles as well as access all the Xbox movies, music and games entertainment services.

Equipped with all the essentials, Encore (WT8) is available in 32GB or 64GB, expandable to another 32GB with its microSD™ slot.** It also includes a Micro USB 2.0, Micro HDMI®, microSD™, ultra-fast Wi-Fi™ and Bluetooth®.

Completely compatible with both Windows® 8 apps and Windows® 7 programs, it comes pre-loaded with a full version of Office Home and Student 2013 for viewing and creation of Word®, Excel® and PowerPoint® documents.

*14.1 hours based on usage scenario of 65% web browsing, 10% video playback and 25% standby.

**O/S and Office installation occupy 16GB of storage; remaining 16GB available for user files.

Toshiba recommends Windows 8.
